Dear Mr. Hedberg:

Mr. Steven DeLong has submitted the attached amendment to his Notice. He is proposing to re-route part of the access road to make it an easier haul. Our file number for this operation is UTU-70057, and the UDOGM serial number is E/053/039.

In the past, Mr. DeLong has submitted maps showing the location of the road and his underground mine. The previous maps were in error; however, this map accurately depicts the road alignment and location.

Comments concerning this proposal need to be submitted before June 27. If you have any questions or comments, please contact Larry Gore at this office.

Sincerely,

*Dave Everett*
